

Heaven Fest Invitation to pray

We are praying that Heaven Fest will be used by God as a catalyst for revival. In November of 2008, the Lord asked us to do Heaven Fest again, and this time, our He asked that our focus would be to “**make My Name Glorious**”. We asked Him how to do that authentically in all areas of Heaven Fest, and His response was, “Just be obedient and do what I tell you!” This is our mission for this year!

Backing up a couple years, in November of 2007, God asked spoke to my heart and said, “You’re paying a lot of money to get those bands to Heaven Fest... how are you going to get ME there? I don’t come for money...” I said, “I have no idea.” He said, “If I told you what it would cost, would you pay the price?” I said, “Truthfully, it depends on what it is... I would like to tell you I would pay it though.” He said, “If you want ME to come to Heaven Fest, you’ll have to PRAY THE PRICE for My Presence.” After some reflection, I asked the Lord if the “pray the price” thing was some kind of commerce agreement, like if we prayed for an hour, He would come for 10 seconds, and when we got the necessary hours logged, He would come for the whole time! He simply said, “No man, this isn’t a commerce thing... It’s this simple, if you want to give Me what I want, you’ll have to hang out with me to find out what I want and how I want it!” This rocked my world. It was a personal call to prayer, but it was also a mandate from Him to ask as many people to pray for revival in Colorado, Heaven Fest being a part in that process.

Then, I started doing some research about Colorado and here’s what I’ve found:

- Denver was named by MSN as the “most dangerously drunk city in America”. Colorado Springs is #3, Cheyenne is #18, and Aurora is #19! 4 cities in the top 20 in ALL THE US!!!
- Denver was named by Forbes as the “most lustful city” based on the number of contraceptives sold per capita.
- Colorado is #6 in the US for suicide in 2007 and bumped up to #1 in 2008!!
- MSN also stated that Boulder County was #2 in Marijuana use out of all United States in 2005.

So, I was asking myself “what in the world is going on here?” and I heard 2 people in one week state that Colorado has the most Satanic/occult activity out of any state in our Nation. I then found out that Denver is one of the highest major metro cities in the US. Then the Lord made it clear that Denver is a “city set on a hill.” Just like the OT times, Satan has been occupying the “high places”, and it seems like God wants to see that change... regime change.

Will you invest some time in prayer and intercession in Heaven Fest? It’s **not** THE thing God is doing in Colorado this summer, it’s **just one thing** among hundreds of fires God is starting; it is significant though. All I know is that I’ve tried to do a ton of things in my flesh before, working my face off to get 10 people to a prayer meeting, but this (Heaven Fest) is totally different. From the beginning, God told me, “Hey, I was going to do this whether you were involved or not, so let’s get it straight from the get-go... I’m calling

the shots. I just want you to be **obedient**, that's all." So, we're doing our very best to keep our hands off of it and let God do what He wants to do.

We feel called to amass as many pray-ers/intercessors as possible before August 8, 2009. Also the day of, here's what we need:

- 500 people "on mission" at all times during Heaven Fest, praying with people, giving Bibles, etc...
- Prayer teams at every stage praying for each band/speaker before they go up.
- 500 people available to pray/intercede for people and also serve communion during the Sacred Assembly.
- Intercessors that will commit to cover each artist and speaker daily or weekly, from now until Heaven Fest.

Thank you for your time and your prayer! Please pray THE WORD over the Worship and the Word Movement Staff, the Heaven Fest volunteers, the attendees, and other events that are happening throughout the rest of this year (Desperation Conferences, OneThing in Castle Rock, March of Glory, Promise Keepers, Dare2Share, etc...)
Blessings to you in the Name of Jesus Christ!
