Heaven Fest Vision Prayers:

The Call -

“If My people, who are called by My Name, will humble themselves and pray and seek My face, and turn from their wicked ways, then I will hear from HEAVEN and will forgive their sin and will HEAL THEIR LAND.” 2 Chronicles 7.14 NIV

On August 8, 2009 we are calling people to come together for a day of festivities and a night of seeking the Lord. At the end of the day, as the sun sets behind the Rocky Mountains, you will hear the call to The Sacred Assembly. A nameless, faceless worship band, along with tons of worshippers, pastors, and pray-ers from all around the country, will take the stage. With one voice, we'll join together to cry out to the Lord for revival in the Rocky Mountain region. We will remember the completed work of Jesus Christ, as thousands take communion together. We will honor Jesus by worshipping Him in one spirit. This time is solely reserved for God to do whatever He wants to do at the festival.

The Vision – agree with us in prayer for:
